## Are You Getting What You Paid For?

### Will Your Investment be Protected?

At THOMPSON COOLING we are proud to provide customers with 20 years of experience in the business. THOMPSON COOLING holds and or conducts its business under the following formal qualifications and business associations.

This offers our customers peace of mind knowing that we are compliant with all Government and registered bodies in the Air Conditioning and Refrigeration Industry.

**Before you purchase** an air conditioner check to ensure that the provider holds authorisation to present you with the best technical and legal workmanship.

**ASK** to see proof of qualifications - do not accept "lip-service" only.
